Trinidad Coastal Land Trust's beaches, trails, and breathtaking vistas are directly linked to *your* Humboldt business.

TCLT has been protecting and maintaining our coastal trails serving our community and visitors since 1978, but these special spaces don't maintain themselves: We **need your help!**

- An estimated **2.5 million visitors** travel to North Coast and contribute to our local businesses (*Redwood National & State Parks*)
- **Visitors spend** nearly **\$500M per year** and contribute to **5,600 local jobs** (*Humboldt County Visitors Bureau*)

**Every visitor to these sites is a potential customer for your business.
Protecting access helps everyone's bottom line.**
